Dear Parents/Carers,

Our value this term is friendship and we have been spending time in collective worship talking about the story of the Good Samaritan and who shared friendship and who didn't. We have discussed why people didn't and how that makes people feel. We have also talked about when the children have shown friendship themselves and examples of this. Why not ask your child about this important value and when they have been able to show it in action?

Our first whole school parent workshop for reading is taking place on Monday. We do ask that you drop your children off and come into school via the office to sign in. You will spend around 20 minutes in the hall hearing about our approach to reading before being able to spend some time in class (you can pop between them if you have more than one child). We do ask that you say your goodbyes by 9.40am so that the children are able to continue with the rest of their day. We look forward to seeing you all on Monday.

Thank you to everyone who booked a school meal yesterday for Census day. 132 meals were booked. This really helps towards our funding and we appreciate all of your support!

Have a lovely weekend,

Mrs Capel

South Gloucestershire Parent Carers Coffee morning

We are lucky enough to have a link with South Glos Parents and Carers (SGPC) who are a parent led support group for parents of children with special Educational Needs (SEN). There is no need for your child to have a clinical diagnosis – everyone is welcome at their drop in sessions, workshops and course.

They will be in school on **Thursday 12th October** at 9am at our SEN coffee morning to ask questions or learn more about the services and support they offer or can direct you to. Please come and join us on **Thursday 12th October at 9am**. Just let the school office know if you are planning to attend so we have an idea of numbers.

Internet Safety Workshop

The Internet gave us access to everything; but it also gave everything access to us.

James Veitch.

On Wednesday the 18th October, you are invited to join us in school to attend a workshop which will

give you an insight into how we teach e-safety at school and also what you can do at home to keep your children safe online. The session will involve a presentation followed by an opportunity to visit and work with your child (children) in the classroom where they will be able to work on an activity and share what they already know with you.

The workshop runs from 2.15-3. There is no need to book ahead, we look forward to seeing you on the day.

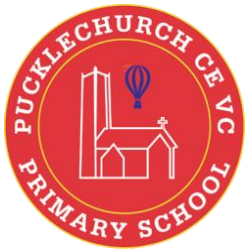

Careers Day

We are holding a Careers day on 9th November and wondered if any parents would like to come in and share with the child what you do in your jobs.

We are looking for a range of people and roles.

Please let the office know if you are able to come along.

We need help to stop your local Scout Group from closing

Put your skills to use, learn new ones and play an active role in your local community.

Volunteering is easier than you think. With full support and training, you can volunteer on a flexible basis.

Give young people the skills they need to succeed in life and discover how being part of the Scouting family can be as rewarding for you as it is for them.

We can give you training and the skills.
