

## Year 2 Term 2 Spelling and Phonics Overview

The spellings in the top box are those which will be checked each week. As of Term 2, spelling tests will be recorded in their home learning books so that you are able to see how they have got on each week. This will happen each Thursday.

You will also find below a list of spellings linked to the phonics sounds they will be practising each week. If anyone would like an extra challenge, please practise these or encourage your child to find their own examples of words with these sounds in.
