Dear Parents/ Carers,

Yesterday was one of the highlights of the year where we were fortunate enough to attend the MaD Olympiad. This always starts with a morning for the year 2 children to take part in a range of sporting activities which they can earn points by competing against a number of different schools from the local area. The children did very well and as always

behaved beautifully, despite the heat!

This is then followed by a range of KS2 children competing in various field and track activities. The children gave it their all in each of the activities and what was absolutely delightful to see was how much they supported each other. They were a pleasure to spend a very hot afternoon with!

Thank you as well for all of the staff as always for making this happen, along with your support as parents.

We even managed to bring home some medals.

Have a lovely weekend.

Mrs Capel

Parents will be able to book their meetings via Arbor from 6pm on 19th June. If anyone has any problems logging in, please contact the office.

Newton Hub Trip

Newton had a fantastic time at The Living Rainforest. We were able to experience what a rainforest might feel like in tropical climates and see the types of plants and animals up close.

Our workshop focussed on the foods of the rainforest. This allowed us to get up close and personal with tropical foods. This will link with our design and technology lessons this term.

Thank you to our parent volunteers for giving up their time to come and help.

King Hub Trip

King Hub enjoyed their trip to Underfall Yard. We learnt all about the tide and how to work out whether the tide is high or low. We also had the opportunity to look at the machinery that is used and finished our day in the visitor centre where we were able to explore. A highlight of the day was the human stimulator!

Well-Being

Of the 5 tips listed below, this week's focus is 'Connect'. Find the time this week to connect with someone else and listen to what they have to say – screen free if possible!

TALK & LISTEN,
BE THERE,
FEEL CONNECTED

DO WHAT YOU CAN,
ENJOY WHAT YOU DO,
MOVE YOUR HOOD

REMEMBER
THE SIMPLE
THINGS THAT
GIVE YOU JOY

EMBRACE NEW
EXPERIENCES,
SEE OPPORTUNITIES,
SURPRISE YOURSELF

Your time,
your words,
your presence

Well-Being Week

Please don't forget that is well-being week next week, children can wear their PE kits all week so that they can easily take part in a range of activities.

A reminder that sports day is taking place next Wednesday and children should be in their house colours. Your children should know which house they are in, but if you are unsure please ask your class teacher.

Please ensure your child has a water bottle, a hat and suncream as the forecast is still looking warm and the children will spend more time outside.
