Dear Parents/Carers,

Last week, we were delighted to welcome our Challenge Support Partner who came into school to review our writing provision across the school. We were delighted with the outcome as we were praised not only for the teaching that she saw in all classes, but for the progress and excellent presentation. In the pupil conferencing, our children were so positive about their writing and showed real pride in their work which was a delight to hear. Our writing lead, Miss Miller, was praised for being a highly effective and organised leader who was driving writing forward. Brilliant work Team Pucklechurch!

We were also delighted to hold our Father's Day sessions this week. It's wonderful to have our

community back in and to share special times with

them. We know how much it means to yourselves and the children so thank you for supporting us with these events and your positive feedback.

Next week is a week of sport! The children have been busy practising this and showing our value of courage in action. We have included a reminder of arrangements for sports day in this newsletter and we are all very much looking forward to it.

Have a wonderful weekend and enjoy the sunshine.

Mrs Capel

Well done to King AB with a score of 93%. Can any other year groups meet our target of 90% next week? Do not forget that reading regularly is part of our homework expectations.

## KS1 trip

Reception and KS1 had a wonderful at The Wild Place this week. We were lucky enough to have the sunshine with us as we walked around seeing many different animals from bears, lemurs and cheetahs!

The children had a great time and it was so lovely to be able to take them out on a trip!

We would like to say a big thank you to all of the adults who joined us and a big well done to all of the children for representing our school so well and making us very proud.

## Upper Key Stage 2 Production

We are delighted to advise you of the ticket details for the King end of year performances of Robin Hood this year on 13<sup>th</sup> July at 1.30 and the 14<sup>th</sup> July at 9.30. The running time is around 60 minutes for each performance.

A maximum of two tickets per family will be allocated to allow room in our hall – unfortunately we can't accommodate younger siblings beyond the 2 ticket allocation (if siblings are in school they will get a chance to watch our dress rehearsal). We ask that you confirm which of the two dates is preferable. Whilst we will do our very best to accommodate everyone's wishes, if you are able to attend either date, please do note this on the form.

Please return the form to your class teacher who will return it with a ticket that needs to be brought on the day. Please do not bring them to the office. Tickets will be allocated on a first come, first serve basis so please bring your slip back as soon as possible to avoid disappointment.

We are also looking for members of the school community to help us with making props and scenery. If you can help, please let Miss B-G and Miss Britton know.

### **GRTH Month**

This month, the equities crew have been researching different communities in the United Kingdom, as it is currently Gypsy Roma, Traveller

History month. They are creating posters for the library and are going to be helping man a question and answer board for any curious minds!

We really enjoyed having Lucie Barber come in to speak to the school and leading an assembly on GRTH month today too.
