Dear Parents/Carers,

This week, in collective worship we learnt all about the story of Moses and the Ten Commandments. The children were brilliant at recounting what they were and what they mean.

They also had a collective worship focussed around the importance of looking after our teeth. They set up an experiment to see which drink was best for our teeth – ask your child what they think?

On the 21st July, we will be having some end of year fun. Children can donate a £1 and wear non-school uniform (they will be active and outside, so trainers would be appropriate). We are sure they'll have lots of fun!

Have a wonderful weekend.

Mrs Capel

Feel Good Friday

We all have worries at times. For children, sometimes having lots of worries at the same time

can be overwhelming. And we know that when children are presenting with worries constantly this can also be overwhelming for parents and carers!

So, if this is ringing a bell with you then why not try setting aside some 'Worry Time' each day. Choose a certain period, perhaps 10 minutes in the afternoon, when your child knows they have your undivided attention to talk to you about anything that is worrying them. Make sure you stick to the time limit though as spending too much time on this can feed an anxiety rather than starve it!

As always, let me know how this works for you!

Hope that you enjoy a wonderful, sunny weekend!

Mrs Smith

Robin Hood Day

King Hub had an exciting day based around 'Robin Hood' on

Thursday. We had an engaging drama workshop lead by Divergent Drama

where we were able to practise and refine our acting skills using a range of exciting costumes and props.

We also went outside and practised our archery skills and den building skills imagining we were in Sherwood Forest alongside some other fun games and activities.

Values Certificate

Well done to the children who received a values certificate today! They all enjoyed a hot chocolate with Mrs Capel in the staff room

Transition Day

Our transition day is Tuesday 19th July. Children will be dropped off and collected at their new classrooms.

Parents will have the opportunity to come in after school for a 20 minute session to meet your child's new teacher.
