Aspire ~ Believe ~ Achieve

Dear Parents/Carers,

Welcome back to Term 5. The sun has been shining and how delightful it is to have all of the children in for the start of the term. Long may this continue.

This week, we have started our whole school value of respect by learning all about HRH, Prince Philip and his sad passing. We learnt how respectful he was for his life to his country and his Queen and paid our own respects to the Royal Family for their loss. We also learnt about more about the Queen, wishing her a happy birthday this week.

Finally, I am delighted to be able to say that next week work will finally begin on clearing up the fire damage in the outside area of KS1. I know this has taken far longer than you, or I, would have wished for. This does mean that reception will be able to return to their classroom and access their outside provision more readily. They have been amazing, as all the children have been at coping with the change but we are thankful to have one more step closer to the return of some normality.

The next phase of rebuild will take place in the summer holidays when the outside structure and Year 1 classroom will be completely restored and back to full use for the start of the new school year. This means the two Year 1 classrooms will remain for the rest of the school year as they currently are.

Also, we have been ordering replacement resources to replace the losses incurred in the four classrooms. We are holding onto the money raised by the PTA as we do not know how much of the insurance money will cover the cost of our replacement equipment so it may be used towards that. If not, staff and children have put together ideas for how any remaining money could be used to enhance the school and once we receive the insurance money, we will be able to look at any viable options.

Have a lovely weekend everyone.

Mrs Capel

WRAP AROUND CARE

As you know, we had to make the difficult decision to close Mighty Oaks at the start of this year. We know that this has been challenging for some of our families who rely on this for childcare. As promised, we have been working hard to find an external provider to offer this going forward and we hope to have something in place in term 6. As soon as we are able to confirm the details, we will let you have them.

Y5 - Mill on the Brue Deposit

As a reminder to all Y5 parents, the Mill on the Brue deposit needs to be paid by Friday 30th April, which is next week. If you

have any issues with payment or anything we can help with, please let the office know as soon as possible. It is very important to pay by this date so you can reserve your child's place on the trip. At the moment, take up for this is very low and we would hate not to be able to run this.

Y6 - Briarlands deposit

As a reminder to all Y6 parents, the Briarlands deposit needs to be paid by Friday 30th April, which is next week. If you have any issues with payment or anything we can help with, please let the office know as soon as possible. It is very important to pay by this date so you can reserve your child's place on the trip.

Pucklechurch CE VC Values Newsletter

Do you know what this term's Christian Value is? Can your child(ren) tell you? Please take the time to read and discuss this term's values newsletter. At the beginning of each term, we will publish a special edition! In each newsletter, we will discuss the meaning of the term's value, share a Bible story, include questions for reflection, share famous words of wisdom and include a challenge- this week is colouring and a wordsearch. At Pucklechurch CE VC we underpin everything we do by our core values and feel this newsletter will strengthen home and school partnership. We hope you and your child(ren) enjoy our first edition.
