Aspire ~ Believe ~ Achieve

<p>Dear Parents/Carers,</p> <p>This week would have been SATs week for our Year 6 children, but obviously this has not been the case, so instead they have started to get excited about King's pending end of year performance. The leaver's photos for them will be rearranged when the missing hoodies from the company arrive and we will let you know the new date.</p> <p>Whilst we know the welcome changes are coming from the Government on May 17th, our bubbles will still be in operation within school and we will continue with our one system for dropping off/collecting. We will amend the guidance as soon as we are advised to do so. Staff and visitors will still wear face coverings in social and communal areas where they cannot safely maintain social distancing, Unfortunately we can't yet bring bags back in due to impact of the fire which has meant some classes don't have cloakrooms close to their rooms. My continued thanks to those of you who are fully respectful and support the school to implement what we have to do.</p> <p>We wish everyone a wonderful weekend!</p> <p>Mrs Capel</p>	<p><u>Dates for the Diary</u></p> <p><u>Term 5 – No parental attendance at this stage</u> 20th May – School census – please book a meal 27th May – Whole School Spanish Day – wear bright colours 27th May – School Council Break the Rules day 28th May – Inset Day – End of term 5</p> <p><u>Term 6 – No parental attendance at this stage</u> 7th June – Start of term 6 9th June – New Reception Parents Evening (Virtual) 23rd June – Sports day 28th June – Careers day 2nd July – New Reception Play Session 5th-7th July – Year 6 Residential Trip 5th July – Frontline Workers Day 9th July - New Reception Play Session 13th July – King Performance (Afternoon) 14th July – King Performance (Evening) 16th July - New Reception Play Session (letters to be sent out confirming details) 20th July – Year 6 Leavers Service 21st July – Inset Day – End of term 6</p>
 <p>28th May 2021 21st July 2021</p> <p>2nd September 2021 1st November 2021 4th January 2022 18th February 2022 6th June 2022</p>	<p><u>Term time holidays</u></p> <p>We know that everyone has been affected by not being able to go away on holiday, but please remember that term time holidays are not permitted and will not be authorised by the school.</p> <p>Many thanks.</p>
<p><u>School Census</u></p>  <p>Fish Finger Friday on a Thursday! It is the school census on the 20th May. This is when we need the maximum number of children taking a school meal on this day, as this has an impact on our school funding. Please book a school meal for your children on this day - it will help massively! Parentpay is being updated to reflect the change www.parentpay.com.</p>

Reading

This week's results are:

Armstrong KS – 42%
Armstrong RF – 59%
Armstrong AM – 48%
Newton JB – 66%
Newton GJ – 67%
King SB – 57%
King JC – 48%

Well done to Year 4 for being this week's champions!

TimesTables Rockstars!

Well done to Miss Coleman's Top Rockers this week! These 3 students have accessed TT Rockstars the most out of everyone in the whole school this week:

1. Harrison – Armstrong KS
2. Isabelle – Armstrong KS
3. Maddison – King SB

Outdoor learning

This week in outdoor learning, Year 4 thought about the 10 Commandments - in particular 'Honour your Father and Mother'. They acted out scenes to show how they responded when being asked to do a chore. We considered whether they always showed respect when being asked to do something and thought about how they could change any negative

behaviour and always lend a hand at home!

Exploring nature

Seacole were lucky enough to watch a video of a bird box (that is currently in one of the children's garden) we saw blues tits building a nest, looking after each other and the eggs. It was fascinating! We then went outside to look for different types of birds in our garden

other.

Our new music room

Armstrong RF were so excited to spend time in the new music room this week. They worked together to play their instruments in time with each

Showing Respect

This week, King SB have been thinking about how to show respect for God's planet by planting and creating ourselves. We investigated the scents of different herbs and planted our own herbs and radish seeds to add some wonderful scents and plants to our school grounds. Fingers crossed they grow!
