Dear Parents/Carers,

We would like to wish all of our families a very 'Happy New Year' and hope that you all had a lovely Christmas break. It has been wonderful to welcome the children back to school this week and we have been delighted with their excellent behaviour and attitude to learning.

We sent out a letter this week about covid – thank you for the support with this and some of the changes we have had to make, Our school and community are always brilliant at embracing the latest changes and keeping our children at the heart of the decisions we make.

Mrs Capel

Talent Show

Well done to everyone who took part in the Talent Show today. The children really enjoyed the show. We are always amazed at the talent we have along with the courage of the children who stand up and perform. The audience are so supportive showing respect and kindness for the children performing.

Well done to our 3 winners as shown below and all who took part, along with school council for organising it, with a particular well done to Luca and Archie for presenting it.

Eco Crew's Toy Swap

Eco Crew are having a toy swap on **Monday 24th January**. If you would like to take part, please bring a toy that you no longer play with to school by **Monday 17th January**. The toy should not be damaged, broken or have any pieces missing and should be something that

someone else might like to play with.

There will be no cost involved. Just bring a toy to swap for another one. Please do not bring more than one toy in as everyone will only take one 'new' one. We do not want lots of leftover toys at the end of the swap.

Thanks,
Eco Crew

Fire Damage

As we approach a year since the fire, the final part of the restoration works is due to take place this month.

Frustratingly, we are still waiting for the insurance to be resolved which can't be done until each stage has been

completed. We are aware that money has been raised due to the fire and we are hoping to be able to spend it as soon as the insurance is resolved. We are looking forward to having all of the work completed and signed off by early Spring. We share your frustrations at the time-scale of the restoration works and we hope to update you further soon.
