Dear Parents/Carers,

This week has seen lots of our children have to stay at home due to testing positive on daily LFTs – many are asymptomatic. Thank you for being so vigilant with testing as this will help to stop the spread. We have probably had the biggest challenge to date with staff absence and it's been demanding but thank you all for your support and understanding. The staff have stepped up as they always do and I am so grateful for them and their unwavering commitment to the children.

There is national news of more changes coming with regards to COVID safety measures and we will let you know what this means for us as a school when we have further guidance.

The children at home and in school have been working very hard this week and adapted to our changes incredibly well. They have been a real delight.

Well done Team Pucklechurch!

Mrs Capel
