Dear Parents/Carers,

Thankfully this week as seen both a drop in Covid numbers along with the sickness bug. Whilst both are still in the school we continue to remain vigilant around handwashing etc as previously communicated.

This week we had the first of our wellbeing Tuesday morning for the term. The Focus has been around a balance of activities that develop children's skills

to deal with stress, anxiety and difficult situations through a range of restorative practice, along with a focus on their health and physical wellbeing. We have been thinking about how we can look after our bodies and our minds. It was great to see kind words shared with each other, creative learning and some lovely reflection. The children absolutely loved their sessions.

Hope you all have a lovely weekend.

Best wishes,
Mrs Capel

Reading

This week's results are:

- Seacole CD - 47%
- Armstrong RF - 40%
- Armstrong SM - 76%
- Armstrong MN - 66%
- Newton JB - 58%
- Newton GJ - 77%
- King AB - 93%

Chinese New Year

Equities crew enjoyed sharing the story of Chinese New Year with the school during our collective worship this week. They also helped

lots of pupils create some good luck fortune cards with some rather complicated Chinese symbols on to give as a gift. Well done, Equities crew!

Sporting Success

A successful week for Ava-Skye who has passed her level 3 swimming (including her 10m badge) and managed to find time to also move up to level 7 in gymnastics. Well done Ava-Skye!

Any sporting successes? Let Mr Boulton know so we can share your wonderful achievements with everyone!

Recommended read!

This week Armstrong SM recommend read is 'Guy Fawkes and the Gunpowder Plot' by Izzy Howell

We have enjoyed finding out lots of historical facts about Protestants and Catholics and why they wanted to blow up the Houses of Parliament!

Compassion

Jesus heals the 10 lepers

"...They stood at a distance and called out in a loud voice, "Jesus, Master, have pity on us!"

When he saw them, he said, "Go, show yourselves to the priests." And as they went, they were cleansed.'

Luke 17: 11-14

In biblical times, leprosy was a highly contagious skin disease. Those who had it became outcasts of society and were unable to live normal lives ever again. At the time it was untreatable and it was a life-long skin disease. Jesus had compassion on the 10 lepers, because he heard them begging for mercy and they were healed. He listened to people that would normally be ignored and avoided. The 10 lepers were forced to live together as outcasts of society.

In today's world - it has become normal to keep our distance from people, even friends and family at times. But how lovely it is when a friend drops a freshly baked cake on the doorstep of a family. In a time when it seems like our world is deeply divided and troubled, small acts of compassion to those who might feel isolated are of great value. Let us look for opportunities to have compassion in our communities today!

Lord, thank you that you have had compassion on us. Thank you that you love us at all times. Help us to love others around us at all times, showing compassion in times of need. Amen.
