Dear Parents and Carers,

This week in school, as a staff we are continuing to work hard on enhancing our school environment and ensuring that each classroom has the same purpose space for the children to learn. We are applying consistency in their appearance so that, when they transition from one class to another from year to year, although their teacher and actual classrooms may change, the way their classroom operates will remain the same – the equipment will be largely the same, the displays and learning resources will also look similar so that children know where to find everything they need to help them learn.

We are having a refreshed focus on the stationary children use each day and re-establish expectations around how classroom resources are used and taken care of. Lots of items are new so we're keen to ensure that things remain in a good condition that promotes the high expectations they are reminding the children that they are more than capable of rising to. We have been so proud of the children as they have viewed this shift as the complement that it is intended to be by showing us that they too aspire to be the best version of themselves.

Have a lovely weekend.

Mrs Jones

Behaviour Curriculum

Next week, our behaviour focus in school will be around using school resources respectfully.

We have purchased lots of new stationary to refresh our supply. We have reiterated to the children raised expectations around presentation and in ensuring that they have fresh resources to use too, this will reinforce this. We encourage the children to take pride in their work and environment and treat it with the respect that it deserves.

This week we pray for

The Congregations of the Benefice, for Elizabeth and John Heal and the residents of Birch Drive.

Jan Twardowski was a Polish Roman Catholic priest and poet. Born in 1915 in Warsaw, he studied literature, then after the war he studied theology and became a priest in 1948. His poetry beautifully intertwines faith, love and everyday wisdom, making him one of Poland's beloved poets.

No Angel Helped

As he was dying on the cross
there weren't any miracles
no angel came to help him
rain did not cool his head
the lightning was daydreaming
struck elsewhere
the resourceful Holy Mother
did not arrive with a miracle

Faith means trusting when there are no miracles
A miracle means well
but obstructs faith.

All of the below articles and notices have been shared in previous newsletters so that if you've missed it or want to check something again, you can catch up below.

The Great Pucklechurch Spring (Term) Clean

We are having a BIG Spring Clean at Pucklechurch with a view to streamlining our resources and re-organising them for optimum use. We currently have a skip on the premises to help clear our clutter! If you are able to donate time to help us with this, please contact the office. Thank you to those who have let us know they are able to help. As well as after school, there will be some times within the school day as we recognise that this is more convenient to some parents. Many thanks!

If anyone is able to volunteer to do some painting and decorating, please let the office know

Staff carpark

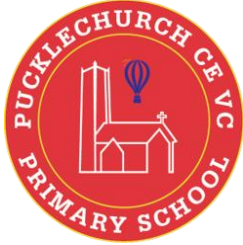

A text was sent to all parents on Wednesday 21st January reminding parents not to park in the staff car park at the start and end of the day. This is to ensure the safety of your children on their journey to and from school. It also ensures that staff can park in the car park without the delay that navigating the car park is currently bringing to their working day. There have also been incidents of staff vehicle damage due to reckless driving/parking within the staff carpark. Despite this text being sent on Wednesday, several parents are still making the choice to park in the staff car park and are continuing to put children's safety at risk. We would like to ask once more that parents do not use the staff carpark unless you have a clearly displayed permit which has been pre-agreed with school. We ask that any members of our school community that observe parking in breach of these expectations, to please report it to school so that it can be followed up directly.

Communication with Teachers

Thank you to all parents who have supported our request to use the admin inbox to contact all staff. We hope you have found no change in the promptness of responses. In addition, **we would like to request that parental discussions with teachers do not happen on the door in the morning.** If you wish to meet with your child's teacher, please contact the office via e-mail and they will set up an appointment. If you have any 'housekeeping' notices such as pick up arrangements or medical appointments, these can be send to the admin inbox at any time and will be passed to the relevant member of staff. This arrangement helps to ensure that the teacher can focus on taking the register in the morning and settling their class into their day.

As always, we thank you for your co-operation and support.

Reading and Times Table booster Volunteers

We would love to welcome a team of parent/carer/grandparent/community volunteers into school to hear children read and/or support children practise times tables. If you feel you can commit a regular slot each week or more to this role, we would love to hear from you. You must be willing to allow school to apply for an Enhanced DBS Check, engage with safeguarding training in order to participate as a volunteer and be willing to work with children across all classes. In return, we can offer the opportunity to support children on their learning journey. No previous experience is necessary as full training will be given.

There is a financial commitment for school for every Enhanced DBS that we apply for so we ask that you only offer your time if you are able to make a regular commitment to this role.

Please contact the school office with the regular time slot/s that you are able to offer and please indicate whether you would rather participate in reading or times table sessions or both and we will be in touch.

In addition, we recognise that due to work and family commitments, not everyone is able to commit a regular time slot to volunteering. We have some more 'casual' opportunities too. If you'd like to offer to read our end of the day story in your child's class, we would also love to hear from you. Each day, at 3PM, the children end their day with a story. This may be a short story that can be read in full in around 15 minutes or a chapter from a longer class text of the term. If you'd like to come in just before pick up and read the end of the day text in your child's class, please e-mail the school office at admin@pucklechurchprimary.org.uk and we will allocate you a day.
